OUR MISSION IS YOUR SUCCESS

We not only work closely with vended laundry owners and investors to design, develop, equip and finance new and existing laundries, we go beyond the expected. We offer hands-on vended laundry training, unrivaled high-speed equipment, the industry's best vended equipment warranties, marketing and operational support, and methods for growing offshoot revenue streams, such as wash/dry/fold, drop-off dry cleaning and commercial laundry services. We invite you to get to know us, explore our vended laundry industry innovations and support solutions, and allow us to help you efficiently boost profits.

GROW YOUR VENDED BUSINESS WITH EXPRESS CLEAN

Express Clean™, a dispensing system that combines detergents, brighteners and softeners, is designed for vended laundries that feature washers with automatic chemical injection. Self-contained within a transparent cabinet, Express Clean chemistry is automatically injected into the wash cycle at the perfect moment during the wash process. Customers simply load the washer, enter their desired cycle and press start.

EXPRESS CLEAN™ DISPENSING SYSTEM FEATURES

- High-quality laundry cleaning products with exclusive formulation for vended laundry
- Optional single box dual machine delivery (for back-to-back machine configuration)
- Up to three product dispensing per side
- Provides customer convenience and industry-exclusive service
- Reduces store maintenance and eliminates customer messes and hazards from oversudsing
- Patented dispensing system is clean and simple to maintain
- Clear-view box makes it simple to see detergent, booster and softener supply levels
- Product numbering system coordinates product and hopper for easy replacement of gallon canisters
- Multi-color, LED lighting system coordinates with pump activation as laundry products are dispensed
