Reference	Subject	Date
PB-139	649392 and 10162683 Bearing Tool Kit Release	5/17/2021
Product	EH060/ RMG070 Bearing Tool Kit	
Product	EH070/ EH080 Bearing Tool Kit	

Summary	The <i>EH060/ RMG070 (649392)</i> and the <i>EH070/ EH080 (10162683)</i> bearing tool kits will now be shipped Pelican cases with laser cut foam. The kits will no longer include the mechanical puller with the tool kit (pictured at the end of this bulletin). Distributors will be responsible for providing the puller tool. If you would like to purchase the foam or Pelican case, the foam can be purchased through GNA. The Pelican case will need to be purchased through a Pelican distributor (see case number).

The hydraulic puller tools can be purchased through GNA or directly from the manufacturer (available through various places online). The claws on the arms of the hydraulic puller tool will need to be slightly modified in order to work on all different units (GNA will provide those dimensions).  **Pictured is the SKF TMMMA 100H Hydraulic EasyPull Bearing Puller (p/n 10623379)** Reconditioned mechanical puller tools can be purchased through GNA for \$200  **Pictured is the mechanical puller** Mechanical Puller Part Numbers: • 3-legged extractor (p/n 438440)			
Comments	Red zip ties will be included with each case. Please secure the case with the zip ties when returning the case		

Always follow the warnings and procedures in the corresponding equipment instruction manual.
