Reference	Product Improvement	Date
PB-151	LG Washer and Dryer Circuit Board Part Numbers	5/25/22
Product	LG Washers and Dryers	

Summary

LG washers and dryers require the correct combination of front end control and rear main control circuit boards.

A wrong combination of these circuit boards will result in a blank display.

The circuit board part numbers in this bulletin are the current part numbers. Older part numbers might have superseded to these new part numbers.

When looking up part numbers you **must always reference the full model number.**
